# PerfectSense® Premium

## For a high-end look

Our PerfectSense Premium matt and gloss surfaces are visually striking and offer high levels of durability. They are perfectly suited to upmarket furniture and commercial interiors.

PerfectSense Premium Gloss has a deep, reflective, glass-like surface.

PerfectSense Premium Matt is warm and smooth to the touch, with high resistance and anti-fingerprint properties.

F812 PM  
White Levanto Marble

The number of decors in the PerfectSense Premium gloss and matt range has increased. Material reproductions, some with a pearlescent finish, have been added to the existing uni decors, creating an exciting new range.

## PerfectSense Topmatt

PerfectSense Topmatt (PT) Laminate is ideal for hard-wearing horizontal surfaces. It is well suited to areas where a combination of high design and durability is required.

# Feelwood

Synchronised pore technology brings Feelwood to life by matching the woodgrain features with the texture. This reproduces a solid wood effect that shows off knots, cracks and grains, creating a surface that is realistic to the touch. Feelwood is a striking, cost-effective alternative to real wood and veneer. Feelwood decors are available in the following textures: ST28, ST32, ST33, ST36, ST37 and ST38.
